

HISTORY HITCH

History, Language & Culture Tours

History Hitch is delighted to announce that

School

Of

area

Has been selected to represent **their area** in a specialty History, Language & Culture educational opportunity to **destination** in year.

The students participating will be required to engage with local specialists and educational workshop facilitators for History and Culture Master Classes for further education. It is our hope that you will help support these pupils in their fundraising efforts by contributing to their resources to allow them to raise the required funds for travel.

If we may be of assistance or provide any details to you about this incredible educational opportunity, please do not hesitate to contact us directly.

Very warmest regards,

Michele
